www.kiwicare.co.nz

NO Cockroaches Nest Killer

Benefits and Features

- Long term cockroach control for up to 6 months.
- Breaks cockroach life cycle with insect growth regulator (IGR).
- Indoor and outdoor surface spray.
- Effective against adults, eggs and nymphs.
- Does not smell or stain.
- Safe around pets and children after application.

Directions

Concentrate

1. Shake well.
2. Dilute 10 ml concentrate per 1 L of water.
3. Using sprayer apply to dark, moist places cockroaches nest and hide e.g. behind fridges/freezers, under kitchen cupboards, laundry, bathrooms etc.
4. As a barrier, apply to bottom metre of exterior walls, doorways, window frames, vents, downpipes and other possible Cockroach entry points.
5. Spray areas where cockroaches have been seen plus dark, warm, moist cracks and crevices where cockroaches like to hide. i.e. behind fridges, freezers, ovens, dishwashers, under sinks and cupboards, laundries, bathrooms etc.
6. Use entire contents of diluted mix within 48 hours.

Ready to Use

1. Using pinch and twist motion, adjust spray nozzle to SPRAY position.
 2. Hold applicator 30-40 cm from the area to be treated.
 3. Pump the trigger firmly and apply to dark, moist places Cockroaches nest and hide e.g. behind fridges, freezers and under kitchen cupboards, laundry, bathrooms etc.
 4. As a barrier, apply to bottom metre of exterior walls, doorways, window frames, vents, downpipes and other possible Cockroach entry points.
 5. Turn nozzle to STOP/OFF position after use.
- Continue treatment for at least 3 months after seeing the last cockroach.
