NO Wasps Total Protection

Benefits and Features

- Quick and effective wasp control.
- Great to control wasps around decks and entertaining areas.
- Spray on fences and to deter wasps from chewing timber.
- Use as part of the 1-2-3 Wasp Control Programme.
- For use indoors and outdoors.

Controls

- *Vespula vulgaris* – [Common wasp](#)
- *Vespula germanica* – [German wasp](#)
- *Polistes chinensis* - [Asian paper wasp](#)
- *Polistes humilis* - [Australian paper wasp](#)

Directions

Concentrate:

1. Shake well.
2. Dilute 10 ml per 1 L of clean water.
3. Hold applicator 30-40 cm from area to be treated.
4. For general purpose, spray areas where wasps land such as walls, decks, window frames.
5. Alternatively, if the nest can be located and is in the open (e.g. hanging in a tree/bush or roof void, spray directly onto the wasp nest. We recommend spraying nests at night time when wasps are not active. Liquid sprays can make wasps more aggressive, so you may find a powder option such as [NO Wasps Eliminator Powder](#) easier to use in this situation.
6. How to mix and dilute spray concentrates video.

Ready to Use:

1. Using a pinch and twist motion, adjust spray nozzle to SPRAY position.
2. Hold applicator 30-40 cm from area to be treated.
3. For general purpose, spray areas where wasps land such as walls, decks, window frames.
4. Turn nozzle to STOP/OFF position after use.

For Best Results

- Wasps are less active in low light; to avoid stings apply spray just before dusk or just after dawn.

Active Ingredients

Concentrate: 100 g/Litre Permethrin in the form of an emulsifiable concentrate.

Ready to use: 4 g/Litre Permethrin in the form of a ready to use liquid

Registration

Concentrate HSNO Approval Code: HSR101155.

Ready to Use HSNO Approval Code: HSR101157.

Caution

- Keep children and animals out of the treated areas until spray is dry.
- This product is harmful to terrestrial invertebrates and bees. Do not use on plants in flower if they are likely to be visited by bees.

Available As

Ready to Use: 680 ml

Concentrate: 200 ml

Complementary Products

- [NO Wasps Eliminator](#) powder nest killer.
