- *Powdery Mildew*

9 400096 000594

GHS 3025

- **Contains two active ingredients the first is a systemic fungicide which is absorbed by the plant and remains in its system protecting against fungal diseases.**
- **The second is an insecticide which works on contact with the insect.**
- **Effective on a wide range of insects and diseases on roses, ornamentals and trees.**
- **Not registered for use on crops.**

FOR BEST RESULTS

- Shake before use
- Spray entire plant until just wet, complete coverage is required for effective control, however avoiding application to blooms makes Spectrum less harmful to bees
- Use as part of your spraying routine.
- repeat every 14 days to maintain protection
- Use in conjunction with PLANT*health* Rose Force to treat heavily infested or diseased plants, and continue with Spectrum every 14 days.

DIRECTIONS

Mix with water at the following dilution rate:

Spectrum Concentrate	Water
10 ml	1 Litre

100% OUR PERSONAL GUARANTEE
We stand by our products. If they don't do what they say, we'll see you right.*

Kiwicare Corporation Ltd, 225 Maces Road, Christchurch, New Zealand. Ph: 64 3 389 0778, kiwicare.co.nz

ACTIVE INGREDIENTS
4.4 g / litre myclobutanil and 9.6 g / litre tau-fluvalinate in the form of an oil emulsion.

WARNING
Suspected of damaging fertility or the unborn child through repeated oral exposure. Very toxic to aquatic life with long lasting effects.

PRECAUTIONS
Avoid skin contact and inhalation of spray. Wash hands and exposed skin after use. Do not use on or around food or animal feed producing plants.

FIRST AID
If swallowed, drink 1-2 glasses of water or milk. Do not induce vomiting. If you are feeling unwell Seek medical advice or contact the National POISON Centre on 0800-764-766. If eye contact occurs, flush eyes with running water for 15 minutes. If spilled on skin, wash affected areas with soap and water.

ENVIRONMENTAL CARE
Do not contaminate waterways or ponds. Do not spray plants in flower if likely to be visited by bees.

STORAGE/DISPOSAL
Store locked up, away from foodstuffs and children. Dispose of container in household rubbish. Do NOT burn or reuse container.

As Kiwicare Corporation Limited has no control over the storage or use of this product, no liability is accepted for accidents or damage arising from the incorrect storage or use of this product.
