**CONTROL OF:**

|          |               |        |
|----------|---------------|--------|
| aphids   | scale         | mites  |
| whitefly | needle blight | thrips |

Visit our interactive problem solver at [kiwicare.co.nz](http://kiwicare.co.nz)

**READ LABEL COMPLETELY BEFORE USE.**

**Directions**

- 1 Shake well.
- 2 Dilute the following measures in 1L water:

| Plant                       | Winter | Other |
|-----------------------------|--------|-------|
| Apples, Pears, Stonefruit   | 40 ml  | 20 ml |
| Citrus, Ornamentals & Roses | 20 ml  | 10 ml |

- 3 Mix thoroughly.
- 4 Apply using a pressure sprayer.
- 5 Spray entire plant until just wet.

**FOR BEST RESULTS:**

- Ensure complete coverage, spray until run off occurs.
- In winter apply before buds open. At other times apply as required.
- Do not apply in strong sunlight or hot weather (above 32°C) or when plants are under stress. Rainfast in 3 hours.
- Do not use within 10 days of applying products containing sulphur, captan, carbaryl, dodine or methidathion.
- Do not apply to sensitive apple varieties such as Cox's Orange Pippin later than early green tip.
- DO NOT spray under conditions that give slow drying i.e. high humidity, cool temperatures. DO NOT spray early morning, late evening, or during the hours of darkness. These conditions may give rise to phytotoxic damage to the fruit.
- Application to citrus fruit, particularly lemons, may result in leaf and fruit drop under certain conditions.

Wash fruit and vegetables well before eating.

**RESTRAINTS:** DO NOT use additional spray adjuvants with this product.

**ACTIVE INGREDIENTS:** 823.5g/l mineral oil in the form of an emulsifiable concentrate.  
Minimum unsaponified residue content is 97.6%.  
HSNO Approval Code HSR000588.  
Registered pursuant to the ACVM Act 1997 No P007401.  
See [www.foodsafety.govt.nz/industry/ocm](http://www.foodsafety.govt.nz/industry/ocm) for registration conditions. BioGro® license No 4850

**DANGER:** May be fatal if swallowed and enters the airways. Designed for lacidial action.

**PRECAUTIONS:** Keep out of reach of children and pets. Avoid inhalation of spray. Wear disposable mask to avoid inhalation. Avoid contact with skin or eyes. Wash hands and exposed skin after use.

**FIRST AID:** IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. Immediately call a doctor or the POISON CENTER on 0800 764 766.  
If in eyes or on skin: Rinse thoroughly with water for several minutes. If irritation persists, seek medical advice.

**ENVIRONMENTAL CARE:** Do not contaminate waterways or ponds.

**IT IS AN OFFENCE TO USE THIS PRODUCT ON ANIMALS.**

**STORAGE/DISPOSAL:** Store in the original container, locked up, away from children and pets. Rinse container and dispose of in garbage. Do NOT burn or reuse container. When stored appropriately this product should show no degradation for 2 years from the date of manufacturing. As Kiwicare Corporation Limited has no control over the storage or use of this product, no liability is accepted for accidents or damage arising from the incorrect storage or use of this product.
