

# KIWICARE®

**Gro-Sure™ Houseplant Pump'n'Feed**  
For healthy plants, greener leaves and longer lasting  
blooms

[www.kiwicare.co.nz](http://www.kiwicare.co.nz)

# Background

[Gro-Sure Houseplant Pump'n'Feed](#) is the perfect food for your houseplants. This ready to use formula is enriched with essential nutrients and trace elements that houseplants need to thrive. It boosts growth, encourages deep green glossy leaves and promotes abundant flowering.

## Benefits and Features

- Easy dose pump.
- Suitable for all houseplants.
- Essential nutrients and trace elements.

## Available As

- 300 ml pump pack.

## Active Ingredients

NUTRIENT PROFILE NPK ratio 3:1:5 (as 1% N; 0.33%P; 1.65%K w/v elemental) plus trace elements - Mo, Fe, Mn, B, Cu, Zn.

# Application

## Directions

- Pump directly into the potting mix around your plant and water in.
- For small plants (0 - 15cm pot diameter) apply 1 pump every 2 weeks.
- For medium plants (15-25cm pot diameter) apply 2 pumps every 2 weeks.
- For large plants (25cm+ pot diameter) apply 4 pumps every 2 weeks.
- Alternatively, you can pump the required dose into water and apply that way.

## For Best Results

- Use when plant is actively growing (usually from September to April).
- Apply less frequently during the winter months when plants are dormant.
- Avoid overdosing.
- Avoid applying to foliage or blooms.

## Caution

- Do not empty the contents into the storm water drain.

# CPR for Your Houseplants

How are your houseplants? Do they need Care, Protection and Revitalising? Do they need CPR?

The Kiwicare [Gro-Sure Houseplant range](#) has all you need to give your houseplants the CPR they need.

## 1. Care

- a. Use [Gro-Sure Watering Indicators](#) to ensure you water your houseplants when they need it.
- b. Use [Gro-Sure Houseplant Pump'n'Feed](#) and [Droplet Feeders](#) to make sure your houseplants have the nutrients they need for healthy growth.
- c. Use [Gro-Sure Houseplant Mist'n'Feed](#) to raise humidity around foliage for healthier green leaves.

## 2. Protect

- a. Use [Gro-Sure Houseplant Insect Control Spray](#) to protect your houseplant from insect pests.

## 3. Revitalise

- a. Re-pot your houseplant in [Gro-Sure Houseplant Potting Mix](#) to prevent root restriction, provide good drainage and aeration, and provide root delivered nutrients.
- b. Then go back to 1.

This CPR cycle will ensure your houseplants continue to give you pleasure for years.

Also, in the [Gro-Sure Houseplant Range](#) are Orchid specific options for feeding and misting your plants.
