LawnPro Fungus Control

Control Disease, Protects Lawns

www.kiwicare.co.nz

Background

Lawn fungal diseases cause stress, browning out and death of lawn grasses. Lawns are susceptible in warm damp conditions. LawnPro Fungus Control for Lawns protects lawn grasses from fungal disease.

Benefits and Features

- Liquid formulation
- Protects from a wide range of fungal lawn diseases
- #Cover up to 100 m²

Controls

- Red thread, Fusarium, Brown Patch, Melting Out, Greasy Spot, Fairy Rings and Mushrooms

Available As

- Concentrate: 200 ml

Active Ingredients

Concentrate: 400 g/L Thiram as a suspension concentrate

Directions

1. Shake well
2. Dilute at the appropriate rate and mix well

Lawn disease prevention#:

Dilute 10 ml per litre of water and apply at a rate of 1 litre of spray to 5 m² of lawn

Existing lawn disease:

Dilute 40 ml per litre of water and apply at a rate of 1 litre of spray to 5 m² of lawn. Apply to the affected areas and at least 1 m around

Disease^ prevention on ornamental plants:

Dilute 5 ml per litre of water. Spray all foliage, including undersides of leaves, to point of run off

Root protection:

Dilute 40 ml per litre of water and apply to thoroughly soak the soil when planting

Animal repellent:

Mix 100 ml per litre of water to make a milky liquid

Apply by spraying or painting onto the trees or shrubs to be protected from browsing animals (rabbits, hares, possums). Re-apply to new shoots

3. Apply using a pressure sprayer or watering can as appropriate

^Rust, powdery mildew, leaf spot, blight, dieback.

Tips

- 1 week after application, rake out any dead material and mow the lawn
- Repeat application 2 weeks after the first application and every 2-4 weeks thereafter
- In areas with high humidity apply every 2 weeks, in other areas and for prevention, apply every 4 weeks
- If the lawn requires irrigation: water in the morning so that the grass dries during the day
- Bare patches caused by disease can be re-sown after control has been achieved
- We recommend [LawnPro Smart Patch Mix](#) for small repairs or Smart Seed for larger areas

Caution

- Do not use in or over water
- It is an offence to use this product on animals
- Not for use on fruit or vegetables

Regulations

- HSNO Approval code: HSR000475
